

June 2, 2009

Dear Parents and Swimmers;

I would like to Thank-you all again, for all of your efforts and participation in our meet over the weekend. All of your help was greatly appreciated by myself and the Board.

Heather Strong, one of our parents, has taken some pictures of our swimmers at our meet. If anyone is wishing to view and/or receive pictures from her, she has posted them on Flickr. <http://flickr.com/gp/28623019@N08/95L1ui>, all she asks is you email her with the picture number you want and she can either email you the pictures requested or send them to Walmart for printing on your behalf. Her email is jemorgen@shaw.ca.

A reminder that airband practice starts June 2nd in the party room at the pool at 5-6pm before swim practice, if you are interested or need more details, please see Coach Christopher. Please note; this is for swimmers attending Campbell River meet. Swimmers wishing to do airband should attempt to be at all airband practices.

Oak Bay Meet is June 13 & 14th. I will attach the meet package for your review. Meet entry handouts will go out to you on Thursday June 4th, and forms with payment are due in no later than Monday June 8th. Please note, this meet is in Victoria at the Commonwealth Pool and they have an extra \$5.00 high maintenance fee per athlete attending.

Also, Bring a Friend Night is this Friday June 5th. Form has been attached and must be completely filled out and signed by the parent, care card or copy of MUST be brought to the pool for witnessing along with \$5.00 payment *BEFORE friend enters the water.*

The club is in need of a fundraising coordinator, someone who can help the Board with suggestions and take on the organization of events. If anyone is interested, please contact me.

Thanks and I will see you all on deck!

David Lewis- CVB President
