To All Breaker Families;

Welcome to this session of the winter maintenance program, we hope that your child and your families are enjoying the program so far. We are pleased to welcome back our coaches; Bob Hedley, Brad Cornell, Christopher Lewis, and Taylor Townsend. If you need to discuss anything with your child's coach, please do so 15mins before or 15mins after practice. ***A reminder; the coaches appreciate all swimmers to be on deck 15mins ahead for stretching.***

A BIG **Thank-you** to all the parents that were able to participate in the recent fundraiser selling firewood permits; it was a great success and raised over \$1400.00 for the Club. We apologize for the short notice and any confusion that may have occurred; this was due to the short notice and miscommunication with Timberwest. I would like to personally thank Sara for contacting Timberwest and arranging a date for us and to Christine for all her efforts in organizing and scheduling shifts for this event. As this was the only fundraiser for this session of winter maintenance, the \$25 fundraising deposit that was required will be cashed for those families that were unable or declined participation in this fundraiser.

Our fundraiser for our next session will be a swim-a-thon and an organizer is needed to make this event a success, if you are interested in organizing this event, please contact any Board member.

Mark you calendars for the Fun Meet on Dec 13th. This event is for all swimmers who are currently registered within our club, regardless of day registered for, we encourage ALL to attend.

We are in need of a team apparel manager, this would require; talking to suppliers about product availability, taking the completed order sheets with payment, ordering from the suppliers, and making sure all members who placed orders receive them in good order. If you are interested in possibly taking on this position, please talk to any Board member.

The Board would like to implement a swimmers bio page on our website, if parents could send a short bio of your swimmer along with a picture, we hope to get that page up and running in the near future. Please send all info and/or questions to sara@cvbreakers.ca.

The next session date will begin Jan 10, 2010, more details to follow. If you have any comments or concerns, please don't hesitate to contact anyone on the Board.
